

Doro HearPlus 318w

Amplified cordless telephone

- ▶ Ergonomic enhancements
- ▶ HAC – Hearing Aid Compatibility
- ▶ Tone control

An exceptional cordless telephone not only for people with impaired hearing but also for anyone who appreciates a handset that is easier to lift, hold and operate. The ergonomically designed handset is easily lifted from and returned to the base unit and features an easily operated keypad, high contrast display and comfortable grip size. There are also three keys for direct dialling, a feature seldom found on cordless phones.
